a usa today bestselling romance novel by priscilla west note this is the beginning of hunter lorrie s story you do not need

to read any other books in the forever series before enjoying this one there would be no happy ending for us he was too damaged i was too broken two years ago lorrie s mother was murdered but that wasn t the end of it reeling from the tragedy lorrie s father spiraled into alcohol depression and finally suicide the two most important people in lorrie s life are both gone but she s still alive trying to recover from the tragedy lorrie returns to campus ready to pick up the pieces of her life all lorrie wants is to get back to normal then she meets hunter the man the legend the hammer hunter is a cage fighter who takes on every fight like he s got nothing to lose his life is a tangled mess of girls booze and fist fights and while it may seem like he s got a devil may care attitude he s fighting a private cage match with a monster he can t defeat lorrie knows that hunter is exactly the type of guy she should stay away from especially in her fragile state but hunter has other ideas as hunter and lorrie grow closer together will they be able to overcome their pain and heal each other or will they both end up wrecked reading order the forever series currently follows three different couples you can choose which couple you start reading about but each couple s story has an order forbidden surrender vincent kristen 1 secret surrender vincent kristen 2 beautiful surrender vincent kristen 3 wrecked hunter lorrie 1 rescued hunter lorrie 2 reckless jax riley 1 fearless jax riley 2

this thoroughly researched and vivid account examines a murderous spree by one of the west s most notorious outlaw gangs and the consequences for a small mormon community in arizona s white mountains on march 27 1900 frank lesueur and gus gibbons joined a sheriff s posse to track and arrest five suspected outlaws the next day lesueur and gibbons who had become separated from other posse members were found brutally murdered the outlaws belonged to butch cassidy s wild bunch gang frank lesueur was the great uncle of the book s author stephen c lesueur in writing about the wild bunch historians have played up the outlaws daring heists and violent confrontations their victims serve primarily as extras in the gang s stories bit players and forgotten names whose lives merit little attention drawing upon journals reminiscences newspaper articles and other source materials lesueur examines this episode from the victims perspective

popular culture often portrays outlaws as misunderstood and even honorable men robin hood figures but as this history makes clear they were stone cold killers who preferred ambush over direct confrontation they had no qualms about shooting people in the back the lesueur and gibbons families that settled st johns arizona served as part of a colonizing vanguard for the church of jesus christ of latter day saints popularly known as mormons they contended with hostile neighbors an unforgiving environment and outlaw bands that took advantage of the large mountain expanses to hide and escape justice deprivation and death were no strangers to the st johns colonizers but the lesueur gibbons murders shook the entire community the act being so vicious and unnecessary the young men so full of promise by focusing the historian s lens on this incident and its aftermath this exciting western history offers fresh insights into the wild bunch gang while also shedding new light on the mormon colonizing experience in a gripping tale of life and death on the arizona frontier praise for life and death on the mormon frontier stephen lesueur takes the reader on a ride into the dark murderous world of the wild bunch in the mormon settlements of the utah arizona frontier a compelling deeply researched and well written study that will grab the attention of old west historians daniel buck co author of the end of the road butch cassidy and the sundance kid in bolivia stephen lesueur unearths the circumstances that led a gang of outlaws to kill frank lesueur the author s great uncle and gus gibbons near st johns arizona in 1900 lesueur punctures popular myths about the wild bunch but the true history of poverty faithfulness criminality and family is more compelling and just as wild it s a hard book to put down john g turner author of brigham young pioneer prophet unlike romanticized versions of western bandits life and death on the mormon frontier portrays a grittier authentic old west in a manner that draws the reader into another era as a descendant of one of the many victims of butch cassidy s wild bunch lesueur thoroughly and compellingly recounts the murder and its devastating effect on the family something often overlooked in the current climate of winking at contemporary scofflaws it is good to be reminded that character still counts and that its opposite still destroys gregory a prince author of david o mckay and the rise of modern mormonism and leonard arrington and the writing of mormon history
